2. Re your appearance before the HPSCI Subcom on Legislation on Wednesday (30 Jan) and the Presidential Brief/Brzezinski meeting at 1130/1200. Fred Hitz' people plan to advise the committee on Monday or Tuesday that you have to be at the White House at 1130 on that day. This will allow for a break in the proceedings so you can do the Presidential Brief/Brzezinski meeting.

3. would like to talk to you for about five minutes in the morning before the IC Breakfast. I asked him to come in at 0725.
